EXPERIENCE

Community & Enterprise Training Associate | Microsoft

Community and Enterprise Training Team July 2020 – October 2022

Promoted to lead virtual Customer Success Trainings (CSTs) and Technical Training Workshops for consumer and enterprise customers. Primarily responsible for AAA, Nintendo, and CareOregon accounts, with additional support for the IRS and Kent School District accounts across a range of Microsoft technologies. Delivered new employee onboarding training to 500+ employees monthly, covering Office 365 and internal tooling. Managed enterprise accounts by assessing training needs and collaborating with customers to build tailored training schedules.

Support Associate | Microsoft

ERO CSS Xbox Refunds Team March 2020 – July 2020

Provided customer support and technical troubleshooting for Xbox customers via email, handling account and billing issues, system issues, and general technical inquiries.

Product Advisor | Microsoft

February 2019 – March 2020

Served as a Microsoft brand ambassador with expert knowledge of consumer hardware and software products. Provided world-class customer service, training, and support to help customers explore what is possible with Microsoft technologies. Consistently exceeded monthly sales quotas while developing regular community events including coding workshops, gaming tournaments, and private product and software lessons for businesses and individuals.
